## You can help us move mountains!

Please join us in praying for:

- God's blessing on Jews for Jesus as we continue to pursue our calling, led by our new CEO, Aaron Abramson
- grace and strength for two new Jewish believers in Jesus, Sam (California) and Steve (Israel) to grow in their faith and for Steve's wife and their children also to come to know the Messiah
- the continued ministry of the Jews for Jesus video project SO BE IT!, that it will help many more Jewish people to trust Yeshua (Jesus)

### **A Great Opportunity for You to Tour the Holy Land**

Lon has been a pastor for 45 years, so his comments from Scriptures that speak of the sites you'll see provide a rich perspective.
