

## **You can help us move mountains!**

Please join us in praying for:

- protection for Israel in the midst of the war
- the release of any who might still be held hostage
- salvation for Israelis who are experiencing the love of Jesus, both in Israel and abroad, including Eliana, Yael, and the many contacts we have through Moshava Coffee
- grace and strength for new Jewish believer Leah (a Moshava contact)
- God's mercy, comfort, and salvation for the many Palestinians who are just as much victims of Hamas as Israelis
- God's spiritual and physical provision for the people of Ukraine, and for an end to that war
- God to continue to bring our ministry and our partners from strength to strength

“Continue earnestly in prayer, being vigilant in it with thanksgiving.”  
Colossians 4:2
