

## You can help us move mountains!

Please join us in praying for:

- our missionaries and volunteers in places where sharing the gospel is dangerous or forbidden
- senior citizens and the disabled in repressive or war-torn places, that they may be cared for and ultimately find hope and peace in Yeshua's love
- a swift resolution to the wars in Israel and Ukraine
- the Lord's leading in the selection of the new Jews for Jesus executive director

"Continue earnestly in prayer, being vigilant in it with thanksgiving."

Colossians 4:2
